Extra Savings Through Mail Order

Americans are paying more for prescription drugs than ever before, and for many, staying healthy can come at a high price. But now, you can save money on your prescriptions at your neighborhood pharmacy or through home delivery with AAA Prescription Savings.SM

Savings You can save an average of **35%** on generic drugs and an average of **15%** on brand drugs when you use your AAA Prescription Savings card.

Easy Tear off the attached card and begin saving right away! Simply present the completed card at a participating pharmacy and pay a reduced price on your prescription drugs.

No Limits You can use your AAA Prescription Savings card any time your prescription is not covered by insurance. There are no restrictions. You can even use it to receive discounts on prescriptions for your pets.

Convenient Your AAA Prescription Savings card is accepted at more than 52,000 neighborhood pharmacies nationwide. There are no claim forms to complete, no commitments, and no contracts to sign.

Safe Each time you use your card, your prescription is screened to check for possible drug interactions with other prescriptions filled through AAA Prescription Savings. If a potential hazard or interaction is detected, the system will alert the pharmacist.

Log on to aaa.com/prescriptions to price your prescription at a retail pharmacy or through mail order. You will also find a host of other helpful tools online, including:

- Locate the nearest participating pharmacy
- Look up potential drug interactions
- Order home delivery refills
- Access a health and wellness library
